1. Rumanian education on the university level is now divided into twelve centers: Bucharest, Iasi, Cluj, Arad, Stalin (Brasov), Constanta, Campulung Moldovenesc, Craiova, Petrosani, Brad, Timisoara, and Galati.
2. The Bucharest center has 23 higher schools, headed by the Constantin Ion Parhon University. The schools include:
 - a. The University itself, with nine faculties: Philosophy, History, Philology, Pedagogy, Juridical Science, Mathematics, Chemistry, Natural Science, and Geology-Geography. The average course is four years. The University is located at Bulevardul Republicii Number 13.
 - b. Higher School of Pedagogy, located at Soseaua Panduri Number 40. The course requires two years.
 - c. Maxim Gorki Institute of Pedagogy, located at Bulevardul Schitu Magureanu Number 9. This is a faculty of Russian language and literature. In order to make it seem of more importance, Russian literature is separated from the regular Faculty of Letters.
 - d. V.I. Lenin Institute of Economic Sciences is the former Academy of Higher Commerical Studies. The Institute has five faculties: General Economics, Economic Planning, Finance and Credit, Statistics and Commerce, and Cooperation. The course requires five years for General Economics and four years for the other faculties. The Institute is located at Strada Eminescu Number 6.
 - e. Institute of Geology and Mines, located at 132 Calea Grivitei. This has two faculties: Technical Geology and Mines. The course lasts four and a half years.
